2. Details of this scheme are set out in paragraphs 16 to 33 of this Ruling.
3. All legislative references in this Ruling are to the *Income Tax Assessment Act 1997*, unless otherwise indicated.

Who this Ruling applies to

4. This Ruling applies to you if you:
 - were registered on the Fitzroy share register on 6 May 2025 (Record Date), and

Ruling

Return of capital is not a dividend

7. No part of the Capital Return you received from Fitzroy on the Payment Date is a dividend as defined in subsection 6(1) of the *Income Tax Assessment Act 1936* (ITAA 1936). This is because the entire amount of the Capital Return has been debited against an amount standing to the credit of Fitzroy's share capital account. Therefore, no part of the Capital Return is included in your assessable income as a dividend under subsection 44(1) of the ITAA 1936.

Anti-avoidance provisions

8. The Commissioner will not make a determination that section 45C of the ITAA 1936 applies to any part of the Capital Return you received on the Payment Date, under either:

- subsection 45A(2) of the ITAA 1936 – because there was no streaming of capital benefits to some Fitzroy shareholders and dividends to other Fitzroy shareholders as required by subsection 45A(1) of the ITAA 1936, or
- paragraph 45B(3)(b) of the ITAA 1936 – because the requirements of subsection 45B(2) of the ITAA 1936 were not satisfied.

Capital gains tax consequences

CGT event G1

9. CGT event G1 happened on the Payment Date when Fitzroy paid you the Capital Return in respect of each Fitzroy share you owned at the Record Date and continued to own on the Payment Date (section 104-135).

10. You made a capital gain when CGT event G1 happened if the Capital Return you received was more than your Fitzroy share's cost base (subsection 104-135(3)).

11. If the Capital Return you received was not more than the cost base of your Fitzroy share, the cost base or reduced cost base of your Fitzroy share is reduced by the amount of the Capital Return (subsection 104-135(4)).

CGT event C2

12. CGT event C2 happened to your right to receive the Capital Return on the Payment Date when Fitzroy paid you the Capital Return in respect of each Fitzroy share you owned on the Record Date but ceased to own before the Payment Date (section 104-25).

13. You made a capital gain under CGT event C2 if the capital proceeds from the ending of the right were more than the cost base of the right. You made a capital loss if the capital proceeds from the ending of the right were less than the reduced cost base of the right (subsection 104-25(3)).

Discount capital gain

14. You can treat a capital gain made when CGT event G1 or CGT event C2 happened as a discount capital gain if you acquired your Fitzroy shares at least 12 months before the

Status: **legally binding**

Payment Date (subsection 115-25(1)), provided the other conditions in Subdivision 115-A are satisfied.

Foreign resident shareholders

15. If, on the Payment Date, you were a foreign resident or the trustee of a foreign trust for CGT purposes as defined in subsection 995-1(1), you disregard any capital gain made from CGT event G1 or any capital gain or capital loss from CGT event C2 happening to your Fitzroy shares, pursuant to subsection 855-10(1), unless you:

- have used your Fitzroy shares at any time in carrying on a business through a permanent establishment in Australia (table item 3 of section 855-15), or
- are an individual and your Fitzroy shares were covered by subsection 104-165(3) (choosing to disregard a capital gain or capital loss on ceasing to be an Australian resident) (table item 5 of section 855-15).
